

gluten light menu

Welcome to The Alex Café Bar, this is our gluten light menu.

These are dishes from our main menu that our chefs can adapt for you by substituting and omitting ingredients containing gluten.

However, as all our food is prepared and cooked in house, and gluten is an air-born allergen, we cannot guarantee against contamination.

When ordering from this menu

please tell your server that you require your meal to be gluten light.

Please note: Our chefs can make GF batter for your fish, and our chips and sweet potato chips are GF, but they are cooked in the same fryer as non GF items.
