

Gluten Light Menu

Welcome to The Alex Brasserie.

These are dishes from our menu that our chefs can adapt for you by substituting and omitting ingredients containing gluten.

However, as all our food is prepared and cooked in house, and gluten is an air-born allergen, we cannot guarantee against contamination.

***Please note:** Our chefs can make GF batter for your fish, and our chips are GF, but they are cooked in the same fryer as non GF items.

Please tell your server that you are ordering from the Gluten Light Menu.

Please inform us if you have any other allergies, so that we can advise.

Please tell your server if you would prefer gluten free crackers or bread, or if you wish to replace chips on a meal with a different potato.
