

Plant-Based Menu

Please inform your server that you are ordering from the plant-based menu.

Welcome to The Alex Café Bar

Please order & pay at the bar, stating where you are sitting, & we will serve your freshly prepared food to your table (please note payment is by card).

We do not include anything on this menu that goes through our deep fryer as we do not have a separate fryer for plant-based items, so although items like our chips are plant based, they are trace contaminated when cooked.

We offer non-dairy milk substitutes for beverages.

Please advise us if you have any food allergies so we can provide you with the relevant information and the risk of cross contamination.
